Hi, my name is Dan, and I want to thank you for visiting our Godlife.com web site. We are a nonprofit evangelism ministry and there are no funds for gifts. I appreciate your desire to investigate Christianity and the claims of Christ. This is definitely not a decision to be taken lightly, and if there is anything I can help you with on your spiritual journey, please let me know. My hope and prayer for you is that you will experience God's peace and plan for your life. In your spiritual search for significance, consider asking God this prayer: "God, I don't fully understand Your character or how to relate to You. Will You please reveal Yourself to me, so I can discover and experience who You are and the eternal security You alone offer?"

Christianity, unlike all other religions, is developing a relationship with God through His Son, Jesus Christ. We all sin and deserve eternal punishment away from God. But God loves us so much that He sent Jesus to be the perfect sacrifice for our sin. Jesus died on the cross, but rose on the third day proving He was the Christ. When we believe these things, repent of our sins, and accept Jesus as our Lord and Savior, we are saved from eternal damnation and live with God forever. I would be glad to discuss this more with you. You can download a Bible at downloadbible.godlife.com/

- Another great resource for you in finding answers to many puzzling spiritual questions is found at <http://gotquestions.org/search.html>

Please let me know if you have any other questions. I am praying now and will continue to pray for you to have the peace that surpasses all understanding. (Philippians 4:6-7) You can have this hope with Jesus Christ as your Lord and Savior.

Dan

Eric Teitelman <eric@thehouseofdavid.org>

to me

Shalom, Paul,

Blessings to you from the United States and Israel. Thank you for reaching out to the House of David Ministries. We are delighted to hear from you and will pray for your ministry.

We are an online itinerant Hebraic teaching ministry in Washington, D.C., focused on building the Kingdom of God by uniting Jew and Gentile Christians as one new humanity in Christ, Yeshua. We do this primarily through our in-depth online teaching resources and building relationships with other Kingdom-minded Christians. You are welcome to utilize and distribute all our materials freely. Unfortunately, we are not able to provide financial support or partnerships at this time.

If you have not already done so, please sign up for our newsletter to stay informed of our new teaching materials and local ministry gatherings.

Many blessings to you in Christ, Yeshua,

Dear Hanry Paul Eliya and His Christian Family,

Thank you for contacting UNHCR Islamabad and sharing your concern with us.

We wish to inform you that UNHCR's mandate does not allow UNHCR in Pakistan to assist citizens of Pakistan. Hello,

Please note that **refugee claims are no longer being accepted at this email address.**

Effective October 6th, 2021, persons in Canada wishing to make a refugee claim should do so by using the Canadian Refugee Protection Portal (CRPP).

You don't need to submit a new refugee claim online if you have already submitted a claim:

- by email;
- through Canada Post's epost Connect; or
- in person (before March 17, 2020).

For more information on how to apply using the Canadian Refugee Protection Portal, please visit our website at: <https://www.canada.ca/en/immigration-refugees-citizenship/services/refugees/claim-protection-inside-canada/apply.html>

Bonjour,

Svp notez que **les demandes d'asile ne sont plus acceptées par le biais cette adresse électronique.**

À compter du 6 Octobre, 2021, les personnes au Canada qui souhaitent présenter une demande d'asile doivent le faire en utilisant le Portail canadien de la protection des réfugiés (PCPR).

Vous n'avez pas besoin de soumettre une nouvelle demande d'asile en ligne si vous avez déjà soumis une demande :

- par courriel;
- par le service Connexion postal de Postes Canada;
- en personne avant le 17 mars 2020.

Pour en savoir plus sur comment faire une demande en utilisant le Portail canadien de la protection des réfugiés, veuillez consulter notre site web : <https://www.canada.ca/fr/immigration-refugies-citoyennete/services/refugies/presenter-demande-asile-canada/demande.html>

CANOTINQ

to me

Thank you for contacting United Nations High Commissioner for Refugees (UNHCR) in Canada. This reply is automated. *La version française suit en bas. La versión en español sigue a continuación.*

IMPORTANT: For information on asylum procedures and helpful services please visit: [Information for Refugees, Asylum-seekers and Stateless People | UNHCR](#) [العربية](#) [Français](#) [Español](#)

For information about the situation in Ukraine see: <https://help.unhcr.org/ukraine/>

Canada is creating the '[Canada-Ukraine Authorization for Emergency Travel](#)', a temporary resident visa which will allow Ukrainians to come to Canada for up to two years. Continue to check the IRCC website for details.

If you are seeking information or support inside Afghanistan, please consult [UNHCR Afghanistan - Help for refugees and asylum-seekers](#).

Please note that resettlement activities are currently being impacted by the COVID-19 pandemic and significant delays may occur.

I would like to know more about Canada's asylum system.

This graphic gives an overview of the asylum process in Canada: <https://www.unhcr.ca/wp-content/uploads/2021/02/The-Asylum-System-in-Canada-Flowchart-Eng.pdf>

For additional information on the asylum process in Canada, please consult our webpage "[Making a refugee claim](#)" and [UNHCR Help Canada](#).

Or visit the Government of Canada websites to learn about the asylum process:

I am in the U.S. and want to ask for asylum at the Canadian border.

Please read the following sections on our webpage:

[Seeking asylum in Canada during the COVID-19 pandemic](#)

[Who can claim asylum at the border?](#)

[What happens when you claim asylum at the border?](#)

[How to prove your family links with someone at the border?](#)

[Winter in Canada](#)

I am not in Canada, but I would like to be resettled to Canada.

UNHCR can only refer refugees under our mandate for resettlement. A refugee is someone who has been forced to leave their country due to conflict or persecution and has “[a well-founded fear of persecution for reasons of race, religion, nationality, political opinion or membership in a particular social group](#)” and is either unable or unwilling to return to their country. Only the most vulnerable refugees who are still in danger of violence and persecution, or risk being forcibly returned to their home country can be considered for resettlement. UNHCR Canada **does not** select who will be resettled in Canada and is **not able** to intervene in or influence status determination or resettlement decisions. If resettlement places are offered by resettlement countries, such as Canada, UNHCR office in a refugee’s country of asylum will identify vulnerable refugees and submit their profiles to various countries of resettlement. The authorities of these resettlement countries make the final decision whether to admit a refugee to their country. Unfortunately, there are not nearly as many spaces available for resettlement as there are refugees in need of a lasting solution.

I am an asylum seeker or a refugee outside of Canada and I need help.

Please contact the nearest UNHCR office in your country of asylum. A list of UNHCR offices can be found [here](#).

I am in Canada and would like to reunite with my immediate family.

Government of Canada website information about family sponsorships :

The [United Nations Relief and Works Agency for Palestine Refugees in the Near East \(UNRWA\)](#) is responsible for providing you with assistance, protection, and advocacy. If you do not reside in UNRWA’s area of responsibility, you may wish to contact the nearest UNHCR offices for advice.

I am in Canada and trying to locate my missing family abroad.

Please contact the Canadian Red Cross at familylinks@redcross.ca. Your family member’s information and location will only be shared with you with their permission.

UNHCR Canada does not provide legal advice or representation in individual cases.

Je ne suis pas au Canada, mais j'aimerais être réinstallé/e au Canada.

Le HCR ne soumet que les dossiers des réfugiés relevant de la compétence du HCR pour la réinstallation dans des tiers pays. Un/e réfugié/e est une personne qui [craignant avec raison d'être persécutée du fait de sa race, de sa religion, de sa nationalité, de son appartenance à un certain groupe social ou de ses opinions politiques](#), se trouve hors du pays dont elle a la nationalité et qui ne peut ou, du fait de cette crainte, ne veut se réclamer de la protection de ce pays.

Seulement les réfugiés les plus vulnérables qui risquent la violence et la persécution, qui risquent d'être renvoyés dans leur pays d'origine, peuvent être considérés pour la réinstallation. Le HCR au Canada **ne sélectionne pas** qui sera réinstallé au Canada, et **ne peut** ni intervenir ni influencer la détermination du statut de réfugié ou les décisions prises dans le processus de réinstallation. Si les places sont offertes par les pays de réinstallation, le bureau du HCR dans le pays où les réfugiés se

trouvent identifiera ceux qui sont vulnérables et soumettra leurs profils aux pays de réinstallation. Les autorités de ces pays prennent les décisions finales quant à l'admission d'une personne réfugiée dans leur pays. Malheureusement, il n'y a pas suffisamment de places de réinstallation pour tous les réfugiés qui ont besoin d'une solution durable.

Je suis un/e demandeur/euse d'asile ou un/e réfugié/e hors du Canada et j'ai besoin d'aide.

Veuillez contacter le bureau du HCR dans votre pays d'accueil. Vous pouvez trouver les coordonnées des bureaux du HCR [ici](#).

Je suis au Canada et j'aimerais me réunir avec ma famille immédiate.

Le site web du Gouvernement du Canada donne des informations sur les programmes de parrainage familial pour le public et les réfugiés

: <http://www.cic.gc.ca/francais/immigrer/parrainer/index.asp>

Je m'intéresse au parrainage privé pour pouvoir faire venir des personnes réfugiées au Canada.

Le site web du Gouvernement du Canada donne des informations sur les programmes de [parrainage privé](#). Le Programme de Formation sur le Parrainage privé des Réfugiés www.rstp.ca contient une gamme d'outils pratiques, de guides et de documentation la plus récente pour les parrains.

Je suis un/e réfugié/e palestinien/ne.

[United Nations Relief and Works Agency for Palestine Refugees in the Near East \(UNRWA\)](#) est l'agence responsable de l'assistance, la protection et la défense des intérêts des réfugiés palestiniens. Si vous ne résidez pas dans la zone de responsabilité de l'UNRWA, vous pouvez prendre contact avec le bureau du HCR le plus proche pour information.

Je suis au Canada et je cherche les membres de ma famille disparus à l'étranger.

Veuillez contacter la Croix-Rouge canadienne : familylinks@redcross.ca. Les informations obtenues sur les membres de votre famille seront partagées avec vous seulement, avec leur permission.

Le HCR au Canada ne fournit pas de conseils juridiques et n'assure aucune représentation légale dans les cas individuels.

Gracias por contactar a la Agencia de la ONU para los Refugiados (ACNUR) en Canadá. Esta respuesta es automatizada.

Quiero pedir asilo en Canada:

Si desea solicitar refugio en Canadá deberá de viajar a este país por sus propios medios y solicitar asilo en la frontera, en el aeropuerto o en una oficina del Departamento de Ciudadanía e Inmigración. Nuestra oficina no recibe ni procesa solicitudes de refugio, ya que el gobierno canadiense tiene un sistema solido de asilo. El ACNUR creó el sitio web <https://help.unhcr.org/canada/es/> con información para refugiados y solicitantes de asilo que deseen solicitar asilo en Canadá.

En este sitio web, podrá encontrar información sobre:

- [Dónde puede pedir ayuda](#) en Canadá
- [Cómo puede solicitar asilo](#) en Canadá; y

- ¿Qué [derechos y obligaciones](#) tiene como refugiado o solicitante de asilo en Canadá.

Estoy en un país de asilo, pero quiero pedir el reasentamiento a Canada:

El ACNUR únicamente reasienta a aquellas personas quienes están bajo el mandato del ACNUR. Un refugiado es una persona que "debido a fundados temores de ser perseguida por motivos de raza, religión, nacionalidad, pertenencia a determinado grupo social u opiniones políticas se encuentre fuera del país de su nacionalidad y no pueda o, a causa de dichos temores, no quiera acogerse a la protección de tal país". Sólo los refugiados reconocidos cuya vida, libertad, seguridad, salud u otros derechos fundamentales están en riesgo en el país de acogida son considerados para el reasentamiento.

El ACNUR determina que grupo de refugiados están en necesidad de reasentamiento y envía las solicitudes a los diferentes países de reasentamiento, quienes son los que toman la decisión final de admitir o no a la persona a su país. La oficina del ACNUR en el país de refugio decide a quién referir para reasentamiento. Le recomendamos que se acerque a la oficina del ACNUR en el país en donde se encuentra actualmente para exponer su caso.

Soy un refugiado o solicitante de asilo fuera de Canadá y necesito ayuda:

Por favor contacte la oficina de ACNUR en el país donde está actualmente. Podría encontrar una lista de las oficinas del ACNUR <https://www.acnur.org/es/contactenos.html>.

Letters, NYT

to me

Thank you for your letter to The New York Times.

If your letter is selected for publication — in all editions (print and online) or only online, and possibly in The International New York Times as well — we will contact you within a week.

We regret that because of the large number of submissions we are not able to respond to all of them, other than by this automated reply. (You will receive an auto-reply only once every four days.)

Here are some guidelines:

Letters should ideally be 150 to 200 words and may be shortened to fit allotted space. They must be exclusive to The Times (no prior publication in other news outlets, except for [nytimes.com](https://www.nytimes.com)). They should generally refer to an article that has appeared within the last seven days.

We reserve the right to edit all letters, and to trim to fit allotted space.

To be considered for publication, letters should include the writer's name, address, current location (where you are writing from) and daytime and evening phone numbers at your current location (for verification, not publication). If you have a disability, we will make every effort to make accommodations in our communication with you.

We do not accept anonymous or open letters.

We generally do not publish more than one letter from the same writer within any 60-day period, but reserve the right to be flexible. (This applies to the daily letters page, but feel free to submit letters to the weekly sections.) If we select your letter for publication, you consent to our right to republish it, in any and all media, and to license third parties to publish it as well.

If you submit your contact information as a result of this automated reply, please re-send the letter with it. (In the subject line, please indicate the headline of the article you're responding to, and delete "automated reply.")

Because of computer security concerns, we do NOT accept attachments; they will NOT be opened. Please re-submit your letter pasted into the body of an e-mail message.

For subscription and delivery issues: customercare@nytimes.com

To request corrections in news articles: nytnews@nytimes.com

Other letters asserting factual errors will be sent to the appropriate editors.

THANK YOU MY BELOVED INDIA UNITED STATES OF AMERICA AND ALL THE WORLD FOR

EVERYTHING Dear HUMAN BEINGS I HAVE SCIENTIFICALLY PROVED THAT THE SOUL IS

AN ETERNAL INFINITE MASS THE MATTER THAT CAN NEVER BE CREATED NOR DESTROYED

IN HELL AND IN HEAVEN DEPENDING UPON THE INTENTIONS AND WORK DONE BY

ENERGIES BUT IT IS THE REALITY THAT CAN CHANGE ITS FORM FROM INTERNAL

ENERGIES INTO PHYSICAL ENERGIES BODIES AND THAT IS WHY THE MEMORIES ARE THE ENERGIES AND WHEN PEOPLE SLEEP AND SAW DREAMS THEY LOSE THEIR MEMORIES TEMPORARILY AND WHEN THEY WOKE UP THEIR MEMORY IS RESTORED AND SOMETIMES SUPERNATURAL HOLY POWERS ARE BEYOND EVERYTHING EXISTED AS MASS AS EXPLAINED ABOVE AS THE GOOD SOULS ARE THE SOUL KNOWLEDGE COURAGE AND EVERYTHING OF GOD JESUS CHRIST

to me

Dear Hanry Paul Eliya and His Christian Family,

Thank you for contacting UNHCR Islamabad and sharing your concern with us.

We wish to inform you that UNHCR's mandate does not allow UNHCR in Pakistan to assist citizens of Pakistan. Under its mandate, UNHCR Pakistan assists refugees in Pakistan and also supports the Government of Pakistan in providing protection to refugees. However, as you are a national of Pakistan, you are not considered a refugee. Therefore, we are unable to assist you in your request.

For your information, to seek asylum and be recognized as a refugee, one needs to be out of his country of origin first. If you have fled Pakistan and if you are currently in another country where you wish to seek asylum, UNHCR office of your asylum country may provide you with assistance.

Thank you for your understanding

Yours sincerely,

UNHCR Islamabad

Refusal of an application for a Schengen visa

Name: PAUL ELIYA
Nationality: Pakistan

Application No.: DNK2658184
Date of Birth: 30-10-1992

Refusal of application for a visa to the Schengen countries

The Danish embassy has reached a decision in your case and has decided that you cannot be granted a visa on basis of the present application.

Your request for a visa has been refused pursuant to the Regulation (EC) No 810/2009 of the European Parliament and of the Council of 13 July 2009 establishing a Community Code on Visas (Visa Code) and the Executive Order no 376 of 20 March 2015 of the Danish Ministry of Justice and amendment no 202 of 27 February 2017 and the Executive Order no 98 of 28 January 2020 of the Danish Ministry of Immigration and Integration (Danish Visa Executive Order).

The reason(s) for the refusal (cf. Annex VI of the Visa Code):

- there are reasonable doubts as to your intention to leave the territory of the Member States before the expiry of the visa

The legal basis for the decision

According to Section 3 a of the Danish Aliens Act, all foreigners who are not exempt from the visa rules pursuant to Section 3 of the Danish Aliens Act, cf. Section 39 (2) must have a visa for their entry and stay in this country.

The legal basis for the decision is the Danish Visa Executive Order and the Community Code on Visas (Visa Code). Article 32 of the Visa Code states that an application for a Schengen visa must as a general rule be refused (a) if the applicant:

- i. presents a travel document which is false, counterfeit or forged;
- ii. does not provide justification for the purpose and conditions of the intended stay;
- iii. does not provide proof of sufficient means of subsistence, both for the duration of the intended stay and for the return to his country of origin or residence, or for the transit to a third country into which he is certain to be admitted, or is not in a position to acquire such means lawfully;

Dear Canadian,

Thank you for contacting the Emergency Watch and Response Centre of Global Affairs Canada in Ottawa. This service is only intended for Canadian citizens in need of emergency consular assistance.

We will reply to you as soon as possible. Please note that Global Affairs Canada cannot answer questions regarding Canadian visas or immigration-related inquiries. Those enquiries must be directed to [Immigration, Refugees and Citizenship Canada](#).

In this auto-reply, you will find information for:

- Emergencies and consular services
- Travel Advice and Advisories
- Passports and travel documents
- COVID-19: Travel, testing and borders
- Authentication of documents
- Immigration, Refugee and Citizenship Canada (IRCC)

Emergencies and consular services

Consular services are provided to Canadians outside Canada by our offices abroad. Each case is different, the type and amount of consular services we can provide depends on the situation.

- [Consular services available at Canadian offices outside Canada](#)
- [Find a Government of Canada office abroad](#)

If you need help while you are outside Canada, you can also contact us at +1 613 996 8885 (call collect where available). For additional methods of communication consult [Request emergency assistance](#). Help is available 24 hours a day, 7 days a week.

Travel Advice and Advisories

The Government of Canada's official source of travel information and advice, the [Travel Advice and Advisories](#), help you to make informed decisions and travel safely while you are outside Canada.

Canadians travelling abroad should monitor local news and obtain information from their own local contacts. Please take into consideration that the decision to travel is the sole responsibility of the traveller. Travellers are responsible for their own personal safety while abroad.

Global Affairs Canada does not advise on customs, visa, or immigration regulations of foreign countries. Questions and concerns should be directed to the relevant country's authorities.

If you are planning to travel abroad

You are kindly encouraged to sign up with the [Registration of Canadians Abroad](#) service to stay connected to Canada. You will be able to receive timely updates and important information about the country you are travelling to.

Passports and travel documents

Consular officials abroad can help you replace a lost, stolen, damaged or expired Canadian passport. Consult [Ask Travel](#) to find the instructions, forms and fees involved to apply for a new Canadian travel document.

Special authorization for dual Canadian citizens

Since November 10, 2016, dual Canadian citizens require a valid Canadian passport to board a flight to Canada or transit through Canada. If you are flying in a few days or are at the airport without a Canadian passport, you may have the option to board your flight with your other passport if you qualify for a special authorization.

[Find out if you are eligible for a special authorization](#)

If you are not eligible for the special authorization or if your application was denied, you will need to contact the nearest [Government of Canada office abroad](#) to find out what your options are.

COVID-19: Travel, testing and borders

To limit the further spread of COVID-19 in Canada, travel restrictions are in place across all border crossings. For more information, consult [COVID-19 requirements for travel to and within Canada](#).

If you have questions or concerns, please contact the [Public Health Agency of Canada](#).

Urgences et services consulaires

Les services consulaires sont fournis aux Canadiens et Canadiennes à l'extérieur du Canada par nos bureaux à l'étranger. Chaque cas est différent, le type et la fréquence des services consulaires que nous pouvons offrir dépendent de la situation.

- [Services consulaires offerts par les bureaux canadiens à l'étranger](#)

Si vous avez besoin d'aide lorsque vous êtes à l'étranger, vous pouvez également nous joindre au +1 613 996 8885 (à frais virés si ce service est offert dans le pays où vous vous trouvez). Pour d'autres modes de communication, consultez [Demander une aide d'urgence](#). Une aide est disponible 24 heures par jour, 7 jours par semaine.

Conseils aux voyageurs et avertissements

La source d'informations officielle du gouvernement du Canada, les [Conseils aux voyageurs et avertissements par destination](#), vous aide à prendre des décisions éclairées et à voyager en toute sécurité lorsque vous êtes à l'extérieur du Canada.

Les Canadiens qui voyagent à l'étranger devraient suivre les nouvelles locales et s'informer auprès de leurs propres contacts locaux. Veuillez tenir compte du fait que la décision de

Autorisation spéciale pour les citoyens canadiens ayant la double nationalité

Depuis le 10 novembre 2016, les citoyens canadiens ayant la double nationalité doivent posséder un passeport canadien valide pour embarquer sur un vol à destination du Canada ou transiter par le Canada. Si vous prenez l'avion dans quelques jours ou si vous vous trouvez à l'aéroport sans passeport canadien, vous pouvez avoir la possibilité d'embarquer avec votre autre passeport si vous êtes admissible à une autorisation spéciale.

[Déterminez si vous pouvez obtenir une autorisation spéciale](#)

Si vous n'êtes pas admissible à l'autorisation spéciale ou si votre demande a été refusée, vous devrez contacter [le bureau du gouvernement du Canada à l'étranger](#) le plus proche pour connaître vos options.

COVID-19 : Voyages, dépistage et frontières

Afin de limiter la propagation de la COVID-19 au Canada, des restrictions de voyage sont en place à tous les postes frontaliers. Pour plus d'informations, consultez [les exigences relatives à la COVID-19 pour les voyages à destination et à l'intérieur du Canada](#).

Si vous avez des questions ou des préoccupations, veuillez communiquer avec l'[Agence de la santé publique du Canada](#).

Authentification des documents

L'authentification est souvent requise pour pouvoir utiliser un document public canadien à l'étranger. Pour être authentifié, votre document doit être un document original portant une signature reconnue (et un sceau, le cas échéant). L'authentification prouve que la signature et le sceau sur le document sont authentiques.

Dans d'autres pays, l'authentification est aussi appelée une procédure de légalisation ou d'apostille.

Immigrant Visa Inquiries Form

[Home](#) | [Visas](#) | Immigrant Visa Inquiries Form

Thank you for your inquiry regarding immigrant visas. As of 17 March, the United States Embassy and Consulates in Pakistan cancelled routine immigrant and nonimmigrant visa appointments to mitigate the spread of COVID-19. Throughout Pakistan, significant disruptions in personal movement and business operations exist. As a result, many services, including courier, documentation collection, and call centers, are not operational. As a result, the Embassy recommends that applicants check our [GSS site](#) for the latest information about how closure of these services affects your visa application. We will resume routine services as soon as possible but are unable to provide a specific date at this present.

We will do everything possible to respond to your inquiry as quickly as possible and regret delays caused by COVID-19. If you are inquiring about a specific immigrant visa application, please check the status of your case [here](#). Please also review [the Frequently Asked Questions \(FAQ\) page](#). If your question is addressed in the FAQ page, you will not receive a personal response to your query.

Due to the suspension of routine immigrant visa services, Embassy Pakistan recommends that immigrant visa applicants consider postponing visits to the panel physician clinic to complete a medical exam. Medical exam results are valid for a maximum of six months.

If you believe you may qualify for an emergency appointment, please check our [GSS site](#) for more information about what an IV emergency is and how to apply for an emergency appointment.

Thank you for your patience during this time.

Sincerely,
Immigrant Visa Unit

CANOTINQ

to me

Thank you for contacting United Nations High Commissioner for Refugees (UNHCR) in Canada. This reply is automated. *La version française suit en bas. La versión en español sigue a continuación.*

IMPORTANT: For information on asylum procedures and helpful services please visit: [Information for Refugees, Asylum-seekers and Stateless People | UNHCR](#) [العربية](#) [Français](#) [Español](#)

For information about the situation in Ukraine see: <https://help.unhcr.org/ukraine/>

Canada is creating the '[Canada-Ukraine Authorization for Emergency Travel](#)', a temporary resident visa which will allow Ukrainians to come to Canada for up to two years. Continue to check the IRCC website for details.

If you are seeking information or support inside Afghanistan, please consult [UNHCR Afghanistan - Help for refugees and asylum-seekers](#).

Please note that resettlement activities are currently being impacted by the COVID-19 pandemic and significant delays may occur.

I would like to know more about Canada's asylum system.

This graphic gives an overview of the asylum process in Canada: <https://www.unhcr.ca/wp-content/uploads/2021/02/The-Asylum-System-in-Canada-Flowchart-Eng.pdf>

For additional information on the asylum process in Canada, please consult our webpage "[Making a refugee claim](#)" and [UNHCR Help Canada](#).

Or visit the Government of Canada websites to learn about the asylum process:

<https://www.youtube.com/watch?v=gG52QiQr574>

www.irb-cisr.gc.ca/Eng/RefClaDem/Pages/ClaDemGuide.aspx

I am in the U.S. and want to ask for asylum at the Canadian border.

Please read the following sections on our webpage:

[Seeking asylum in Canada during the COVID-19 pandemic](#)

[Who can claim asylum at the border?](#)

[What happens when you claim asylum at the border?](#)

[How to prove your family links with someone at the border?](#)

[Winter in Canada](#)

I am not in Canada, but I would like to be resettled to Canada.

UNHCR can only refer refugees under our mandate for resettlement. A refugee is someone who has been forced to leave their country due to conflict or persecution and has "[a well-founded fear of persecution for reasons of race, religion, nationality, political opinion or membership in a particular](#)

[social group](#)“ and is either unable or unwilling to return to their country. Only the most vulnerable refugees who are still in danger of violence and persecution, or risk being forcibly returned to their home country can be considered for resettlement. UNHCR Canada **does not** select who will be resettled in Canada and is **not able** to intervene in or influence status determination or resettlement decisions. If resettlement places are offered by resettlement countries, such as Canada, UNHCR office in a refugee's country of asylum will identify vulnerable refugees and submit their profiles to various countries of resettlement. The authorities of these resettlement countries make the final decision whether to admit a refugee to their country. Unfortunately, there are not nearly as many spaces available for resettlement as there are refugees in need of a lasting solution.

I am an asylum seeker or a refugee outside of Canada and I need help.

Please contact the nearest UNHCR office in your country of asylum. A list of UNHCR offices can be found [here](#).

I am in Canada and would like to reunite with my immediate family.

Government of Canada website information about family sponsorships :

The [United Nations Relief and Works Agency for Palestine Refugees in the Near East \(UNRWA\)](#) is responsible for providing you with assistance, protection, and advocacy. If you do not reside in UNRWA's area of responsibility, you may wish to contact the nearest UNHCR offices for advice.

I am in Canada and trying to locate my missing family abroad.

Please contact the Canadian Red Cross at familylinks@redcross.ca. Your family member's information and location will only be shared with you with their permission.

UNHCR Canada does not provide legal advice or representation in individual cases.

Concernant la situation en Ukraine, veuillez consulter <https://help.unhcr.org/ukraine/>

Je ne suis pas au Canada, mais j'aimerais être réinstallé/e au Canada.

Le HCR ne soumet que les dossiers des réfugiés relevant de la compétence du HCR pour la réinstallation dans des tiers pays. Un/e réfugié/e est une personne qui [craignant avec raison d'être persécutée du fait de sa race, de sa religion, de sa nationalité, de son appartenance à un certain groupe social ou de ses opinions politiques](#), se trouve hors du pays dont elle a la nationalité et qui ne peut ou, du fait de cette crainte, ne veut se réclamer de la protection de ce pays.

Seulement les réfugiés les plus vulnérables qui risquent la violence et la persécution, qui risquent d'être renvoyés dans leur pays d'origine, peuvent être considérés pour la réinstallation. Le HCR au Canada **ne sélectionne pas** qui sera réinstallé au Canada, et **ne peut** ni intervenir ni influencer la détermination du statut de réfugié ou les décisions prises dans le processus de réinstallation. Si les places sont offertes par les pays de réinstallation, le bureau du HCR dans le pays où les réfugiés se trouvent identifiera ceux qui sont vulnérables et soumettra leurs profils aux pays de réinstallation. Les autorités de ces pays prennent les décisions finales quant à l'admission d'une personne réfugiée dans leur pays. Malheureusement, il n'y a pas suffisamment de places de réinstallation pour tous les réfugiés qui ont besoin d'une solution durable.

Je suis un/e demandeur/euse d'asile ou un/e réfugié/e hors du Canada et j'ai besoin d'aide.

Veuillez contacter le bureau du HCR dans votre pays d'accueil. Vous pouvez trouver les coordonnées des bureaux du HCR [ici](#).

Je suis au Canada et j'aimerais me réunir avec ma famille immédiate.

Je suis un/e réfugié/e palestinien/ne.

[United Nations Relief and Works Agency for Palestine Refugees in the Near East \(UNRWA\)](#) est l'agence responsable de l'assistance, la protection et la défense des intérêts des réfugiés palestiniens. Je suis au Canada et je cherche les membres de ma famille disparus à l'étranger.

Gracias por contactar a la Agencia de la ONU para los Refugiados (ACNUR) en Canadá. Esta respuesta es automatizada.

Quiero pedir asilo en Canada:

Si desea solicitar refugio en Canadá deberá de viajar a este país por sus propios medios y solicitar asilo en la frontera, en el aeropuerto o en una oficina del Departamento de Ciudadanía e Inmigración. Nuestra oficina no recibe ni procesa solicitudes de refugio, ya que el gobierno canadiense tiene un sistema solido de asilo. El ACNUR creó el sitio web <https://help.unhcr.org/canada/es/> con información para refugiados y solicitantes de asilo que deseen solicitar asilo en Canadá.

En este sitio web, podrá encontrar información sobre:

- [Dónde puede pedir ayuda](#) en Canadá
- [Cómo puede solicitar asilo](#) en Canadá; y
- [Qué derechos y obligaciones](#) tiene como refugiado o solicitante de asilo en Canadá.

Estoy en un país de asilo, pero quiero pedir el reasentamiento a Canada:

El ACNUR únicamente reasienta a aquellas personas quienes están bajo el mandato del ACNUR. Un refugiado es una persona que "debido a fundados temores de ser perseguida por motivos de raza, religión, nacionalidad, pertenencia a determinado grupo social u opiniones políticas se encuentre fuera del país de su nacionalidad y no pueda o, a causa de dichos temores, no quiera acogerse a la protección de tal país". Sólo los refugiados reconocidos cuya vida, libertad, seguridad, salud u otros derechos fundamentales están en riesgo en el país de acogida son considerados para el reasentamiento.

El ACNUR determina que grupo de refugiados están en necesidad de reasentamiento y envía las solicitudes a los diferentes países de reasentamiento, quienes son los que toman la decisión final de admitir o no a la persona a su país. La oficina del ACNUR en el país de refugio decide a quién referir para reasentamiento. Le recomendamos que se acerque a la oficina del ACNUR en el país en donde se encuentra actualmente para exponer su caso.

Soy un refugiado o solicitante de asilo fuera de Canadá y necesito ayuda:

Por favor contacte la oficina de ACNUR en el país donde está actualmente. Podría encontrar una lista de las oficinas del ACNUR <https://www.acnur.org/es/contactenos.html>.

Relocation schemes for Afghan nationals to the UK

If you are an Afghan national enquiring about relocation to the UK there are two schemes which may be relevant. The Afghanistan Relocation and Assistance Policy (ARAP) is for those who have been Locally Employed Staff of the UK Government, who can [apply for inclusion in the programme](#) here. It is also for select individuals who worked in meaningful enabling roles alongside the UK Government, in extraordinary and unconventional contexts, in particular in the security and defence sectors. In general these staff have been contacted by the Units they worked alongside. If you consider that you should have been contacted, please contact the Unit you worked alongside.

The Afghan Citizens Resettlement Scheme (ACRS) will be by invitation, not by application. [We encourage individuals to check gov.uk for the latest information about the ACRS](#) .

Relocation to the UK can be a solution for only a small minority of Afghanistan's people. The UK Government is supporting Afghans with a generous development package, doubling our commitment to £286m this year.
